

## S&M 30th Anniversary Paper Award

### Outline:

The S&M 30th Anniversary Paper Award is presented to outstanding papers published in any issue of Vol. 30 (2018) with the aim of expressing our appreciation to authors who have greatly supported our journal.

### Jury:

Editors of *Sensors and Materials*.

### Qualifications:

The papers must satisfy the following criteria:

- a. The paper must be published in an issue of Vol. 30 (Nos. 1–12) in 2018.
- b. The first-review feedback from two reviewers must be excellent.
- c. The quality of English must be excellent (as judged by the proofreaders of the Editorial Department).

### Number of award recipients:

Three papers (gold, silver, and bronze) will be selected.

### Announcement:

The Editorial Department will notify the author(s) of the papers selected for the S&M 30th Anniversary Paper Award at the end of 2018. The selected papers will be announced on the journal website (<http://myukk.org>).

### Award:

The authors of the papers selected for the S&M 30th Anniversary Paper Award receive a monetary award, an award plaque or certificate, and printed copies of *Sensors and Materials* Vol. 31, Nos. 1–12 for their outstanding scientific accomplishment.

The total value of the monetary awards will be **JPY 300000** for the celebration of the 30th anniversary, which will be divided among the authors of the selected papers.
