

Sensors and Materials

Special Issue on the 7th International Conference on BioSensors, BioElectronics, BioMedical Devices, BioMEMS/NEMS & Applications 2018/2019

Call for Papers

Bio- and nanotechnology is an emerging research field to target the problems in health care, environment, and energy. This special issue will focus on new trends in biosensors, bioelectronics, biomedical devices, and bioMEMS/NEMS from both the fundamental and applied views. The editor hopes that the contents of the issue will provide useful guidelines for the relevant researchers.

Scope:

–BioSensors

–BioElectronics

–BioMedical devices

–BioMems/Nems

Submission due date: May 31, 2019

Publication date (planned): Second half of 2019

Journal website: <https://myukk.org/>

Guest editor: Xiaojun Han (Harbin Institute of Technology, China)

Submit to: Online Manuscript Submission System (<https://myukk-org.ssl-xserver.jp/form/>)

(Attention)

As stated in Instructions to Authors in the Guidelines, the author(s) will be obliged to pay the publication fee upon the acceptance of the manuscript for publication (for example, JPY 95040 for 10 pages in *Sensors and Materials* format). If the quality of the English of your manuscript does not satisfy the journal standards, the authors will bear the proofreading fee (JPY 10000–15000), which will be charged with the publication fee.

If you have any questions, please feel free to contact the editorial staff at the address below.
